Dear Supervisors:

**APPROVAL OF AN AMENDMENT TO THE HEALTH CARE  
WORKFORCE DEVELOPMENT PROGRAM ACADEMIC  
DEVELOPMENT TRAINING AGREEMENT  
(ALL SUPERVISORAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

Request approval of an amendment to extend the term of an existing agreement with Los Angeles Community College District on behalf of Valley College for the provision of Academic Development Training.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and authorize the Interim Director of Health Services (Director), or his designee, to sign and execute Amendment No. 3 with Los Angeles Community College District on behalf of Valley College (County Contract No. H-701897) to extend the term of the Agreement for the provision of Academic Development Training, effective January 1, 2009 through June 30, 2009, with no change in the scope of work and no increase to the maximum obligation of \$313,430.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of the recommended action will enable the Interim Director or his designee, to execute an amendment, substantially similar to Exhibit I, providing a six month extension of the contract with Los Angeles Community College District on behalf of Valley College (LACCD), for the provision of Academic Development Training (ADT). The extension is necessary to allow students to complete their training program scheduled for June 2009. There is approximately \$65,000 in unspent funds remaining in the contract to cover the cost of tuition and books for these students.

### Implementation of Strategic Plan Goals

The recommended action supports Goal Number 3, Workforce Excellence, of the County Strategic Plan.

### **FISCAL IMPACT/FINANCING**

On December 20, 2005, the County entered into an Agreement for ADT with LACCD for a total maximum obligation of \$313,430. There is no change in the maximum obligation of \$313,430. Funding is included in the Health Services Administration's Fiscal Year (FY) 2008-09 Final Budget.

### **FACTS AND PROVISIONAL/LEGAL REQUIREMENTS**

On December 8, 2005, your Board approved a contract with LACCD to provide educational training in math, English and basic science and medical terminology which addressed the key barriers to DHS employees attempting to qualify to enter college level nursing, medical record coding and health information courses.

On July 1, 2007, under delegated authority, Amendment No. 1 extended the Agreement for six months to December 31, 2007.

Effective July 1, 2007, Valley College received a one-year grant from the State Chancellor's Office which provided adult basic academic preparation courses in math and English to approximately 225 students. This provided an opportunity for DHS to re-allocate funds under the ADT Agreement to broaden the classes provided.

On December 18, 2007, your Board approved Amendment No. 2 extending the term of the Agreement for an additional 12 months through December 31, 2008, and expanding the scope of work to include 13 pre-requisite classes such as anatomy, physiology and related lab classes. These pre-requisite classes, which are needed by students to enter nursing and other health professions, have long waiting lists. By including the additional coursework, DHS was able to secure class space for qualified DHS employees and expedite the student's entry into the professional programs. All training is offered at either the Valley College campus or DHS training sites.

The Department is requesting an extension of this Agreement effective January 1, 2009 through June 30, 2009 at no additional cost to the County or change in the scope of work under the current Agreement. To date, approximately \$65,000 is left to cover the remaining DHS employees taking training classes from Valley College.

County may terminate the Agreement with 10-day prior written notice.

County Counsel has reviewed and approved Exhibit I as to form.

**CONTRACTING PROCESS**

On December 8, 2005, your Board approved an Agreement with LACCD.

On July 1, 2007 and December 18, 2007, your Board approved Amendments No. 1 and 2, respectively, to extend the term of the Agreement. The current Agreement expires December 31, 2008.

The recommended Amendment will extend the term of the Agreement through June 30, 2009.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of the extension of the Agreement will allow the continuation of academic development of DHS employees to qualify for college level nursing, medical record coding and health information courses.

**CONCLUSION**

When approved, DHS requires three signed copies of the Board's action.

Respectfully submitted,

John F. Schunhoff, Ph.D.  
Interim Director
